

# FERAL HOG

ERADICATION & CONTROL PILOT PROGRAM WITH USDA-APHIS

DECEMBER 8, 2021 AT 6 P.M.

THE BUTTER CHURN | 207 W SINTON ST. | SINTON, TEXAS

FREE MEAL PROVIDED

Get the details of the Feral Swine Eradication & Control Pilot Program available to farmers in Bee, Nueces & San Patricio counties.

USDA's Animal and Plant Health Inspection Service biologists will outline the program details and offer farmers the opportunity to enroll in it during the meeting.

This informative session and meal are made possible by Texas Corn Producers.
